It was AGREED the recordings would be played prior to the other applicants completing their presentations. All presentations complete, the Chairman requested the Council members consider all applications. Cllr Bulpett commented, all 4 candidates presented positively and should be favourably considered for election to the Council. Cllr Clayton asked whether they should have been asked whether they would stand for election next year. Cllr Bulpett responded, it would an unfair question given they have no experience of the Council. Cllr Clayton accepted the response. It was unanimously **RESOLVED** to elect the candidates to the Council. The decision was confirmed with the candidates and the Clerk confirmed he would be contacting them to complete the necessary paperwork.

7. MARKET CHARGES

To consider a temporary reduction in market charges whilst the COVID-19 restrictions are established

P20/076 The Clerk provided an overview of the current market arrangements, highlighting that the footfall was low due to the Fruit & Veg staff not attending until the social distancing measures are reduced to 1 meter. Providing a temporary reduction in charges will allow for the Fruit & Veg stall to return and a subsequent increase in footfall and all stall revenues. Accepting the loss in revenue can be absorbed, It was **RESOLVED** to postpone all charges until the September invoice.
